Proverbs 28:26

**“Follow
Your Heart?!”**

He that trusteth
in his own
heart is
a fool:
but whoso walketh
wisely, he shall
be delivered.

It doesn't sound
“positive” so it won't
be accepted by most,
but the fact is the human
heart is deceptive and
wicked. Jeremiah 17
verse 9 says,
“The heart *is* deceitful
above all *things*, and
desperately wicked:
who can know it?”

The deepest desires
of human beings are
subject to corruption.

So, for one to trust
in their own **heart**
is really as foolish as
Scripture has said.

It simply is **foolish to**
follow anything that
is inherently
deceptive and wicked.
